

Meeting with an enthusiastic reception  
Highly functional ink

# Alcohol based dye ink

## Realized environmentally friendliness and low running cost

● Print samples      Alcohol based dye ink good exclusively for small character inkjet printing

Ink name : **CN303 Black Ink**

**No offensive smell**  
**Solvent consumption reduced by 40%**

● Not applicable to Ordinance on the Prevention of Organic Solvent Poisoning in Japan

Operators or workers with this ink are not legally required to go through the health examination with reference to Ordinance on the Prevention of Organic Solvent Poisoning in Japan

● Solvent consumption reduced by 40% compared with KGK' s MEK based inks

On the KGK' CCS3000 and CCS-R printers: solvent consumption per hour reduced to 2.5 milliliters from 4 milliliters

On the KGK' a CCS3100 and CCS3000L printers: solvent consumption per hour reduced to 3 milliliters from 5 milliliters

● Substrates to print on:

\* yellow colored
